Contractor/Address: \_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

Telephone: \_\_\_\_\_

Location (Address) of Property: \_\_\_\_\_

Bedrooms: \_\_\_\_\_ Gallons/Day: \_\_\_\_\_

Ground Water Depth: \_\_\_\_\_ ft.

Topography: \_\_\_\_\_ Soil: \_\_\_\_\_

Separation from absorption: \_\_\_\_\_ ft.

Domestic Water Supply:  Municipal  Well

**Proposed System:**

Septic Tank: \_\_\_\_\_ gal.    Drainage-trenches: each \_\_\_\_\_ ft.    See [age Pit(s): #of \_\_\_\_\_  
total \_\_\_\_\_ ft.    each \_\_\_\_\_ X \_\_\_\_\_

Percolation test:  Required  Not Required    Rate: \_\_\_\_\_ min/inch

**Important!**

On a separate piece of paper, submit a diagram of the proposed septic system with all dimensions; including distance from any structure, distance from property lines and distances from any domestic water supply or shore-line of lake, stream, pond or wetland. Include all dimensions of the system itself.

Should unforeseen problems during construction prevent proper installation, alteration or repair of an approved system, the Department of Code Enforcement must be notified before further construction is permitted.

No system shall be covered before inspection and approval by the Code Inspector. Failure to comply with this requirement may result in the uncovering of the system by the installer & a fine of up to \$250.00

I have read the regulations above and agree to abide by these and all requirements of the Town of Warrensburg Sanitary Sewage Ordinance.

Please enclose cash or check for \$25. Please make checks payable to **Warrensburg Town Clerk**
