### Minuets.

Attending, Janet T., John G., Teresa W., Rich L.,

Previous Minuets approved.

CDBG process discussed, Janet explained LMI, (low to moderate income), Teresa spoke to "Qualified Census Tract" and how 50% of homes in any given area meet criteria of LMI

SHPO and CDBG both use online mapping tools. County wide, we're at 36%, and they (the County) use County wide numbers.

Census tracks still has Warrensburg below the threshold.

We can investigate the school lunches program to see where those numbers stand.
