

October 9th Town Board Meeting

Planning/Zoning Report

Prepared by Patti Corlew, Zoning Administrator

October 8, 2024

Report Details:

There were 1 Septic & 7 Land Use & Development permits issued in the month of September, one of which was for the operation of Dingman Auto at 91 River Street.

The Planning Board met on October 1, 2024 and approved a three lot subdivision for Camp Echo Lake. The camp is subdividing off 2 one acre parcels which front on Golf Course Road. There are future plans for a single family dwelling to be built on each parcel.

The Zoning Board does not have a meeting this month.

Town Justice Prepared by Leanna Molloy 010/07/2024

September Highway Report

October Board Meeting

(Highway Department)

Prepared by (Pete Bederian)

October 4, 2024

We have been busy this month preparing Forest Lake Rd and Alden Avenue for paving. Hauled Blacktop for the paving and shoulder stone. Raked shoulder stone on edges.

Repaired the Health Center Parking Lot with the Highway Paver and the help of the Water/ Sewer Department.

Replaced the Catch Basin and Culvert on Hillcrest Drive.

Mowed Alden Avenue and Pucker Street.

Respectfully Submitted

Pete Bederian

Highway Superintendent

OCTOBER MEETING

Assessor

Prepared by Gregory Klingler

October 2024

Report Details:

Review of sales and new construction properties continues. During the fall and winter months, parcel data will be reviewed, analyzed and verified with new construction sites visited to check on their progress in preparation for the 2025 assessment rolls.

Next month we will be preparing the renewals for Senior citizen's exemptions, scheduled to be sent out the beginning of 2025.

October 2024 Water Report

Installed several meters including a new construction. Meters were read this month, we have been working with people who have high usage.

The Dept. of Health came and did a sanitary survey of our plant, and the water tank, they recommended a new well cap and a reminder for the lead serviceline to be turned in October 16th.

Respectively,

Tracy Benoit

OCTOBER SEWER REPORT 2024

PUMP STATION C CALLED OUT FOR HIGH WATER.

WE PULLED EACH AIR CHAIN IN CELL 2. AIR TUBES HAVE BEEN REPLACED WITH NEW ONES.

A DIFFUSER LINE DISCONNECTED FROM THE DIFFUSER. WE CONNECTED THE CHAIN BACK UP TO THE AIR LINE AND EVERYTHING WAS WORKING BACK TO NORMAL.

WE ARE LOWERING THE LEVEL IN THE LAGOON TO REPAIR A HOLE IN THE LINER.

Respectfully,

Mark Rumble II

October 2024 Parks and Rec Report

Fall cleanups

Garage sale setup

Maintaining parks

Cemetery fall clean ups

Maintenance on equipment

Garage sale cleanup

Maintenance on vehicles

Respectfully,

Joe Phillips
